Hello, hello, hello.
Is there anybody in there?
Just nod if you can hear me.
Is there anybody home?

Come on, now.
I hear you're feeling down.
Well I can ease your pain,
And get you on your feet again.

Relax.
I need some information first.
Just the basic facts:
Can you show me where it hurts?

There is no pain, you are receding.
A distant ship's smoke on the horizon.
You are only coming through in waves.
Your lips move but I can't hear what you're sayin'.
When I was a child I caught a fever.
My hands felt like two balloons.
Now I got that feeling once again.
I can't explain, you would not understand.
This isn't how I am.
I ha-ha-have be-come com-fortably numb.

Ok.
It's just a little pinprick.
There'll be no more --aaaaahhhhhh!
But you may feel a little sick.

Can you stand up now?
I do believe it's working. Uh-hu.
That'll keep you going for the show.
Come on it's time to go.
Gotta keep you going through the show.
Come on it's time to go.
Gotta keep you going through the show.
Come on it's time to go.
Gotta keep you going through the show.
Come on it's time to go.

There is no pain, you are receding.
A distant ship's smoke on the horizon.
You are only coming through in waves.
Your lips move but I can't hear what you're sayin'.
When I was a child I caught a fleeting glimpse,
Out of the corner of my eye.
I turned to look but it was gone.
I cannot put my finger on,
The child is grown, the dream is gone.

I ha-ha-have be-come com-fortably numb.
I ha-ha-have be-come com-fortably numb.

Uh-hu (x14)

I ha-ha-have be-come com-fortably numb.
