My heart it dances,
Whenever I'm with you
Don't make advances
I'm scared of what you'll do.

We go out,
Have a laugh,
Have a good time,
You and I,
We go on,
Have a drink,
Have a good time
You and I

And when the night is through
It feels so right to kiss your lips
Wish I could say to you
That I've got so much
Come and get it.

Get it, get it
Get it, get it.
Hug and kiss it
Love it love it!
Get it, get it,
Get it, get it.
If you're with it
Come and get it.

Come and get it.

I'm waiting in my room
To pick you up at eight.
There's so much we can do
I promise I won't be late!

We go out,
Have a laugh,
Have a good time,
You and I,
We go on,

Have a drink,
Have a good time
You and I

And when the fun ends
I look into your eyes and say
Oh what a lovely time
I think that this might be the day to

Get it, get it
Get it, get it.
Hug and kiss it
Love it love it!
Get it, get it,
Get it, get it.
If you're with it
Come and get it.

And when the night is through
It feels so right to kiss your lips
Wish I could say to you
That I've got so much
Come and get it.
And when the fun ends
I look into your eyes and say
Oh what a lovely time
I think that this might be the day to...

Get it, get it
Get it, get it.
Hug and kiss it
Love it love it!
Get it, get it,
Get it, get it.
If you're with it
Come and get it.
