Iâ€™m the ocean
the sky is my shelter
iâ€™m the ocean
the wind is my mother
iâ€™m the water and iâ€™m the foam
coming and leaving
caressing your bones
the storm makes me call out
thosusand of cries
the sun makes me roll back
and you watch the sky
i will make you breathe
you will make me roar
i will kiss your knees
you will bring me hope
iâ€™m the ocean the wind is my mother
i will make you breathe
you will make me roar
i will kiss your knees
you will bring me hope
i will make you breathe
you will make me roar
i will kiss your knees
you will bring me love
