You best not show your face down at River's Canyon
Unless you lost the right direction all the ways down
there
But if you get caught in the bushes down in River's
Canyon
Well they'll haul you off to jail, relieve you, cut your hair
Woo Woo Woo what a premonition
If you know what it takes to make love like you should
Woo Woo Woo what a failed opinion
A sunside ape with a shack in the ghetto ain't good
CHORUS:
Ooh you rock my spot
Things start to lovin' like a chicken in a pot
When you knowing that I love it a lot
Oh you rock my spot
Taste sweet lovin' that you gonna be a brother
Cause I know your goin' love what I got
Ladies round here can tell the smell a difference
In the middle of a ramble without a doubt
She knows right now exactly where she leads him
I ain't caught you molest him upside down
Woo Woo Woo get all the action
Take me to the water of the river gonna last all day
Woo Woo Woo give me satisfaction
Sock it to my puff of snow and give the willy the way
(Repeat Chorus 2x)
