So if you're lonely
You know I'm here waiting for you
I'm just a crosshair
I'm just a shot away from you
And if you leave here
You leave me broken, shattered I lie
I'm just a crosshair
I'm just a shot then we can die
I know I won't be leaving here with you
(I say) I say don't you know
(You say) You say you don't you know
I say, I say take me out
I stay, you don't show
Don't move, time is low
I say, I say take me out
(I say) I say don't you know
(You say) You say you don't go
I say, I say take me out
If I move this could die
If eyes move this could die
I want you, I want you to take me out
I know I won't be leaving here
I know I won't be leaving here
I know I won't be leaving here
I know I won't be leaving here
With you
(I say) I say don't you know
(You say) You say you don't know
I say, I say take me out
If I wait this could die
If I wane this could die
I want you, I want you to take me out
If I move this could die
If eyes move this could die
Come on you, come on you
Take me out
I know I won't be leaving here
I know I won't be leaving here
I know I won't be leaving here
I know I won't be leaving here
With you
