Dance, that's all I want to do, so wont you dance?
Standing here with you why wont you move?
Get inside your groove, cause I'm on fire, fire, fire, fire fire!

Well it hurts, when you get too close baby, it hurts,
love is really good you just want more,
even if it throws you to the fire, fire, fire, fire, fire!

[Chorus:]

All the lovers, that have gone before, they don't compare, to you!
Don't be frightened, just give me a little bit more,
They don't compare, all the lovers!

Feel, can't you see there's so much here to feel?
Deep inside your heart, you know I'm real,
Can't you see that this is going higher, higher, higher, higher, higher?

Breathe, I know you find it hard but baby breathe,
you'll be next to me, its all you need,
I will take you there, I'll take you higher, higher, higher, higher, higher!

[Chorus]

Dance, its all I want to do, so wont you dance?
Standing here with you, why wont you move?
Even if it throws you to the fire, fire, fire?

[Chorus x2]
