Hello (hello)  
Hello (hello)  
Is there anybody in there?  
Just nod if you can here me  
Is there anybody home?

Come on now  
I hear you're feeling down  
Well I can ease your pain  
And get you on your feet again  
Relax...  
I need some information.. first (first)  
Relax..  
Just don't face the facts  
Can you show me where it hurts

*[Chorus 1]*

There is no pain you were receding  
A distant ship floats on the horizon  
You're only coming through in waves  
Your lips move but I can't hear watcha saying  
When I was a child I caught a fever  
My hands swelled like two balloons  
Now i've got that feeling once again  
I can't explain  
You would not understand  
This isn't how I am  
I have become comfortably numb

Ok (ok)

It's just a little pin-prick  
There'll be no more Hiiiiiiiiiii  
But you may feel a little sick  
Can you stand up now  
I do believe It's working  
(uh huh) (uh huh)

Gotta keep it going through the show  
C'mon it's time to go *[Repeat x4]*

*[Chorus 2]*

There is no pain you were receding  
A distant ship floats on the horizon  
You're only coming through in waves  
Your lips move but I can't hear watcha saying  
When I was a child I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
To get up on my feet but ohh the child has grown  
The dream is gone  
I..i..i've been Com-com-fortably Numb  
I..i..i've been Com-com-fortably Numb

*[Repeat Chrous Till Fade]*
