Let me tell you that so you know who I am,
Got a rack like a booby, got an ass like a can
And Ima thrust it lust it bust it
Cause I must hit
Chop it in a fine white line till I blust it

Drop to my titty got a big head
Got my dick wet keep jackin on the ground
When I fly with the jet set backwards discothÃque
I earned it fine line byline learned it
Work it like Gary in a coal mine
Rough trade with the rubber man
Love it when I shake that ass crack
Take that didn't want me
But I know payback
Bitches at the bar pay cash
Gotta take a Gatorade protein shake
Got a six semi automatic go snap snap snap

Turn it to feel up my loving
think you'd better work it
to feel my loving
Turn it to feel up my loving
think you'd better work it
to feel my loving

my wheel turning like a river
But I suck like Hoover
Don't call a pussy nothing but Vancouver
I got eyes like man so I don't feel like dancing
For the blue man group
Or give a moments chance
Suck a mother load because I'm strong
If you got a sequin I'll put it on
Walking with a flat bush nothing but a thong

This is not love song, my theme song
Do a line on my perfect body lick up the curves
I got vitamin c baby you got the scurvy
scurvy you heard me, want a dick like a queen
Hurly girly let me take off my shirty

Baby say fuck yeah
Baby say fuck yeah
Baby say fuck yeah I'm tired of waiting on you
Baby say fuck yeah
Baby say fuck yeah
Baby say fuck yeah I'm tired of waiting on you

Turn it to feel up my lovin
think you'd better work it
to feel my lovin
Turn it to feel up my lovin
think you'd better work it
to feel my lovin

Don't you be surprised when I fetishize
Let me describe, I moisturize
No Levi's just fruit flies
Touch my up dew, Ill cut you
My mew mew shoes dodge doodoo
Like muture I suit you
Fresh like bonjora like shou sha
Soy una penche gu ha

Wild lady with the back on low down
What you find when the cops unload that
Nothing but a compact disk and a Kodak
Know that throw back don't fool kojak
Wild lady with the back on low down
What you find when the cops unload that
Nothing but a compact disk and a Kodak
Know that throw back don't fool kojak

Talk about love me cause I'm strong
If you got a sequin I'll put it on
Walking with a Flatbush nothing but a thong
Its not love song, my theme song
Don't get it till your done that's why I dance
Everything I judge why I heart best

Hit it with a blow get it till your blessed
Baby get weaker that's your man

Turn it to feel up my loving
think you'd better work it
to feel my loving
Turn it to feel up my loving
think you'd better work it
to feel my loving

Wild lady with the back on low down
What you find when the cops unload that
Nothing but a compact disk and a Kodak
Know that throw back don't fool kojak
Wild lady with the back on low down
What you find when the cops unload that
Nothing but a compact disk and a Kodak
Know that throw back don't fool kojak
