Hey, I'm calling you back
Uh, she's been a bitch tonight
And by bitch I mean this rain
No cab, nowhere
So I had to put on the wigs, and the heels,
And the lashes and the ear
And take the train to the club

And you know the mta should stand for mother fucker
touching my ass
So then I get to the club looking like a drowned
harassed rat
And greeted not by miss rose at the door,
But our friend, johnny 5.0
Yes honey, the nypd shut down the party!

You know before me
I don't even know it's kiki!
So I hope you're up, girl,
Cause we are all coming over
Lock the doors, lower the blinds
Fire up the pop machine and put on your heels
Cause I know exactly what we need!

Let's have a kiki
I wanna have a kiki!
Lock the door, all right!
Let's have a kiki, mother fucker
I'mma let you have it
I wanna have a kiki
I wanna have kiki night
We're gonna serve,
And work and turn, and honey

The kiki is a party for calming all your nerves
We're spilling tea and dishing just deserts when they
deserve.
And though the sun is rising, if you may choose to live
So shave that lid and will I wear the turn to your own
weed

Let's have a kiki

I wanna have a kiki!
Lock the door, all right!
Let's have a kiki, mother fucker
I'mma let you have it
Let's have a kiki
I wanna have a kiki tonight
We will gonna serve,
And work and serve and turn, and honey
Oh, what a wonderful kiki!
This kiki is marvelous!
Kiki, so, so
We, we, no no!
Kiki, so, so
We, we, no no!
Kiki, so, so
We, we, no no!
