How do you make a lady?  
How do you make a lady?  
How do you make a lady?  
I'll show you one more time

How do you make a lady?  
How do you make a lady?  
How do you make a lady?  
I'll show you one more time

Hey-ey baby, maybe you can show me your lady  
And we can make a lady tonight  
Hey-ey baby, maybe you can show me your lady  
And we can make a lady tonight

Her name is Barbara (Barbara) Jackson (Jackson)  
That is her name  
Her name is Barbara Jackson  
How do you make a lady

Barbara (Barbara) Jackson (Jackson)  
That is her name  
Her name is Barbara Jackson  
How do you make a lady

"Barbara Jackson is my name  
And I don't play no games  
I'm just the same  
But I'll take the train  
My name is Barbara Jackson  
And that's what you should call me  
My name is Barbara Jackson  
But you don't ever call me  
But you don't ever call me"

We're making ladies

we're making ladies  
We're making ladies  
Construct a lady all night

We're making ladies  
we're making ladies  
We're making ladies  
Construct a lady all night

I'm making her from Faberge  
I'm making her with fabric  
I'll put her in some negligee  
I'll conjure her with magic  
I'll clean up all her accidents  
And paint her with mascara  
We'll get along on fancy boats  
And ride the riviera

How do you make a lady?  
How do you make a lady?  
How do you make a lady?  
I'll show you one more time

How do you make a lady?  
How do you make a lady?  
How do you make a lady?  
I'll show you one more time

Hey-ey baby, maybe you can show me your lady  
And we can make a lady tonight  
Hey-ey baby, maybe you can show me your lady  
And we can make a lady tonight

Her name is Cathy (Cathy) Curtis (Curtis)  
That is her name  
Her name is Cathy (Cathy) Curtis (Curtis)  
How do you make a lady

Her name is Cathy Curtis  
That is her name  
Her name is Cathy (Cathy) Curtis (Curtis)  
How do you make a lady

"My name is Cathy Curtis  
And I'm so happy to be here

I'm in my fourth year of studying taxidermy  
And I love hunting deer  
My name is Cathy Curtis  
And I'm so glad you get to know me  
Um, I know where the girls room is  
You don't need to show me  
You don't need to show me  
You don't need to show me!  
[Laughs] It's just me!"

We're making ladies  
we're making ladies  
We're making ladies  
Construct a lady all night

We're making ladies  
we're making ladies  
We're making ladies  
Construct a lady all night

Make me out of Faberge  
And make me out of fabric  
And put me in the negligee  
And conjure me with magic  
Clean up all my accidents  
And make me wear mascara  
You put me in a fancy boat  
And ride the riviera
