When you get tired  
Of holding me tight  
Remember it's our state of life  
When we come down  
Off our high for the night  
You don't let go

And if you're feeling too close  
Then we doing alright  
Put you on my clothes  
Take you out tonight  
Take you out tonight

You're so skin tight  
You're never close enough  
You're so skin tight  
Wrap me in your love  
You're so skin tight

Nothing else sliding  
Between you and me  
What's in bionic?  
We'll always be

Surrounding each other  
For eternity  
And we won't let go

So it gets a little hot  
But the temperatures right  
I'll take everything you got  
'Cause you're always in my sight  
Yeah, you're always in my sight

You're so skin tight  
You're never close enough  
You're so skin tight  
Wrap me in your love

You're so skin tight  
You fit me like a glove  
You're so skin tight

You're never close enough

Anything less  
And you'd be too far away  
I can't feel it back  
I can't feel it back  
I can't feel it back

Skin tight  
Fit me like a glove  
Skin tight  
Wrap me in your love

'Cause you're skin tight  
Fit me like a glove  
Skin tight  
Wrap me in your love
