I been drivin all night  
Through the Tennessee mountains  
I can't see shit on a road with no name  
But I don't give a damn  
Cuz somebody told me, told me  
There's a party goin' on down in the woods  
Starring all the freaks, I said all the freaks  
Freaks across the land  
And I know I better brace myself  
I'm going to another place  
Gonna shake my ass  
Gonna move my legs  
Gonna kiss your face  
CHORUS:  
One night in the backwoods  
Can change your life  
By the full moonlight, that's right  
At the backwoods discoteque yeah  
If you believe in a good time, that's fine  
We're gonna find you there, prepare  
For a real good time at the discoteque yeah  
Cuz I been hurtin' since my baby left me  
For another, another man like myself  
Weird situations, that are way beyond me  
I wish I could tell, that man to go to hell  
But in these woods  
Trash talk will get you nowhere  
The forest creature leave you by yourself  
But ya gotta get ready, ready for the party  
Because you gonna go someplace else  
And I know I better brace myself  
I'm going to another place  
Gonna shake my ass  
Gonna move my legs  
Gonna kiss your face  
(Repeat Chorus)  
Lets all go to the backwood discotheque  
Lets go get wrecked with the sweat yeah  
If you got a car and a kinky girl you'll get wet right  
quick at the  
Discoteque yeah

No-one knows who goes to the backwood club  
And loves that love and the slush bugs  
If you got booze and a dirty boy you're gonna love that  
club at the  
Discoteque yeah  
Let's all go to the backwood discotheque  
Let's go get wrecked with the sweat yeah  
If you got booze and a dirty boy you'll get wet right  
quick at the  
Discotque yeah  
(Repeat Chorus 2x)
