Scooby Dooby Doo, Where are you
We got some work to do

Scooby Dooby Doo, Where are you
We need some help from you now

Come on, Scooby Doo, I see you
pretending you got a sliver

But you're not foolin' me, cause I can see
the way you shake and shiver

You know we got a mystery to solve and Scooby Doo, be
ready for your act
Don't hold back!

And Scooby Doo if you come through you're gonna
have
yourself a
Scooby Snack!

Scooby Dooby Doo, where are you
You're ready and you're willing

If we can count on you Scooby Doo
I know you'll catch that villian
