Scooter Smiff:

Now let's get down on the floor
I'm runnin through all the girlies hair like a comb
They always wanna roll with a fella after shows
Snappin camera phones
Hold on let me pose, CHEESE!
That I'm gettin, swagged out with it
This top dog don't chase no kitten
Only bread, can't nobody stop me from
Pullin up in a Maserati to my junior prom

Chris Brown:

Oh, oh, I'm the head of my class
Oh, oh, I know you heard what I said
Oh, oh, I'm the head of my class
Head of my class
Head of my class
Oh, oh, I don't need a hall pass
Oh, oh Imma hit the gas
Oh, oh, I'm the head of my class
Head of my class
Head of my class

Scooter Smiff:

Now Scooter Smiff went up the hill
He rolled back down with a Interscope deal
Just got my check, now I'm bout to hit the mall
Put my shades on, let me show you how to ball
Catch me at a spot, they all go nuts
They say I'm cocky, I'm like, so what
My chain all rocky, it's iced on up
This boy like Milwaukee, I'm bout them Bucks

Chris Brown:

Oh, oh, I'm the head of my class
Oh, oh, I know you heard what I said
Oh, oh, I'm the head of my class
Head of my class
Head of my class
Oh, oh, I don't need a hall pass
Oh, oh Imma hit the gas
Oh, oh, I'm the head of my class

Head of my class
Head of my class

Your boy 19, drivin somethin European
From head to toe I'm stacked, I'm rockin D&G
Or even my Benz through, any time I breeze through
Any hallway gettin Scooter out the classroom
Teacher lookin fine, I think I might holla
Scooter gettin straight A's when I hit her with them
dollars
Jimmy Choos or them Pradas, they come in all sets
Imma be a teacher's pet
When she see what's on my neck like...

Chris Brown:
Oh, oh, I'm the head of my class
Oh, oh, I know you heard what I said
Oh, oh, I'm the head of my class
Head of my class
Head of my class
Oh, oh, I don't need a hall pass
Oh, oh Imma hit the gas
Oh, oh, I'm the head of my class
Head of my class
Head of my class

Scooter Smiff:
Cruisin down the street in my go-kart
Pull to the side, stop at the park
Hopped off the whip to get the scoop
On this fly little thing that was lookin cute
I shot my game at her and what do you know
My moms hit the phone, I got to go
So I gave her the eye so she knew the business
Before I rolled off, she slid me them digits

Chris Brown:
Oh, oh, I'm the head of my class
Oh, oh, I know you heard what I said
Oh, oh, I'm the head of my class
Head of my class
Head of my class
Oh, oh, I don't need a hall pass
Oh, oh Imma hit the gas
Oh, oh, I'm the head of my class
Head of my class
Head of my class
