[Chorus:]

Oh no oh no eh eh... flow oh
She's rockin(rockin) she's rollin(rollin) She's poppin
Don't stop shawty do it for me x2 I gotta get behind that
cause she's rockin she's rollin She's poppin don't stop
shawty do it for me [x2] I gotta get behind that yea ea

Shawty do it for me she so crazy she so cool never
ceases to amaze me matter of fact I kinda wanna call
her baby but never want her daddy to think I'm being
shady I'm so respectful I will say please mister do you
mind if we roll to Chuckie cheese and back to my house
and play Nintendo Wii yes I said Wii her including me
we can do this thing together I'm down for whatever
rain sleet snow we'll make it through any weather
cause she's my apple pie and I ain't gonna lie I think
she's heaven sent lord sent her from the sky cause

[Chorus]

Shawty does it for me she so perfect anything I can do
she so worth it and I admit if I ever get the chance I will
never let you go if you let me hold your hand or let be
your man or I can be your friend you always in my
dreams and shawty you's a 10
And I'm not being funny I'm telling you that I want you
these other girls they ain't got nothing on you at lunch
time if you ever need some help I got some extra
change you can get a extra milk so tell them other
suckas they can step to the rear if you looking for ya
man then ya man's right here

[Chorus]

Shawty do it for me in every which away won't let her
outta my sight won't let her slip away she's the apple of
my eye and my only one the only star in my sky and my
only sun
I like playing in her hair when the wind blows when I'm
inside I'm looking at her thorough the window cause
she's prettier than pretty can be so if you ever get
bored come and kick it with me scoot

I give these others the boot and tell em slow up we just
friends girl you betta grow up it's only one that makes
me wanna settle down she's my queen to be and I'm a
give her crown because

[Instrumental plays]
