Shake it up now

Play the theme (x6)

5-4-3-2-1-1-1

(Chorus)

I feel, I feel, I feel the friction

I feel, I feel, I feel the friction

I feel, I feel, I feel the friction

Friction, friction, friction, friction

Pow, play the theme, from the scene

Made by DJ Zoo Pream

Eliminate it, Terminator X

Terminate it with a style complicated but rated

Pow, play the theme, play the theme from the scene

The low profile most versatile child

Number one undercover the inventor of wildstyle

(Repeat x1)

Shake it up (x3)
