* It only takes a minute, girl,
To fall in love.
To fall in love.

It only takes a minute, girl,
To fall in love.
Let's fall in love.

Yeah
Watching our... day,
We threw at least one away,
Walk the streets half a year
Trying to find a new career.

Now if you get a flu attack,
For 30 days you're on your back.
Girl, tonight I've seen you dance.
Baby, give me half a chance.

Now, in the unemployment lines,
You can spend your life reading signs.
Waiting for your interview -
It can shoot the whole day for you.

The winter's going to turn to spring.
And you haven't accomplished a thing.
So baby leave a little time
'Cause you never know what's on my mind.

* repeat

Well, you time yourself a few minutes.
When you want to fry yourself an egg.
Now, you spend a few seconds, girl,
When you see a man beg.

Now it takes some time
To go down to the corner store.
Well, what I got in mind, girl,
Give me 60 seconds, no more.
