Everybody, all over the world,
North west ten, Come Join the clan,
Keep jumping keep moving keep dancing,
Keep the whole world round,
Keep jumping keep moving keep dancing (yeah yeah)

* Everybody, do what you're doing,
Love will bring a sunshine day,
In the party, now let's get moving,
Throw your hands up all the way
(Repeat)

Just a little while and a hand in all the air,
Can't hear the music, just not the same,
Just a little while and a hand in all the air,
Can't feel human and can't free my name

Keep jumping keep moving keep dancing,
Keep the whole world round,
(Repeat)

Hand in all the air, just don't care,
Got the boogie down yes ear to ear,
(Repeat)
Boogie in all the place, just knecked grace,
Nice and a easy pace,
(Repeat)

* Repeat
Celebration, now we're together,
Love and peace and harmony
(Repeat)

Heavy heavy heavy heavy who turned away,
Boogie in all the place, just knecked grace,
Nice and a easy pace
(Repeat)

Blow your whistle, year to year it's a carnival,
No left out nobody (do what you wanna do)
(Repeat)

Everybody, body (repeat)
Everybody, put your hands in the air, yeah-eh-eh-eh

* Repeat (x2)

Everybody, put your hands in the air,
Everybody, yeah-yeah, yeah - yeah,
Everybody, put your hands in the air,
Everybody, do what you wanna do

Everybody, put your hands in the air,
Everybody (yeah yeah)
(Repeat)
