As I read the letters that you wrote to me
It's you that I am dreaming of
And as I read the lines that to me were so sweet
I remember our faded love

I miss you, darling, more and more every day
As heaven would miss the stars above
And with every heartbeat, I still dream of you
And remember our faded love

As I think of the past and all the pleasure we had
As I watched the mating of the dove
It was in the springtime when we said goodbye
I remember our faded love

I miss you, darling, more and more everyday
As heaven would miss the stars above
And with every heartbeat, I still dream of you
And remember our faded love
And remember our faded love
