Well, I was going down the road when she caught my  
eye

That little red Corvette with a for sale sign  
Laid my money down and walked out the door  
Wondering what a pickup man wants a convertible for

For you blue eyes five foot two  
For you I do the crazy things I know I really shouldn't  
oughta do  
I've either lost touch with reality or I've found a dream  
come true  
I'd climb the Himalayas swim a river full of gators for  
you

I got a fishing rod and a set of golf clubs  
Just sittin' in a corner collecting dust  
I'm a certified lunatic some might say  
It wouldn't mean a thing to me to give them all away

For you blue eyes five foot two  
I'd do the crazy things I know  
I really shouldn't ought to do  
I'd climb the Himalayas swim a river full  
Of gators for you, hmm for you
