Heartache number one was when you left me
I never knew that I could hurt this way
And heartache number two was when you come back
again
You came back but never meant to stay

Now I've got heartaches by the number, troubles by the
score
Every day you love me less, each day I love you more
Yeah, I've got heartaches by the number, a love that I
can't win
But the day that I stop counting that's the day my world
will end

Heartache number three was when you called me
And said that you was coming back to stay
With hopeful heart I waited for your knock on the door
I waited but you must have lost your way

Now I've got heartaches by the number, troubles by the
score
Every day you love me less, each day I love you more
Yeah, I've got heartaches by the number, a love that I
can't win
But the day that I stop counting that's the day my world
will end
Yeah, the day that I stop counting that's the day my
world will end
