Got to go out of town but I'll be back soon
Don't burn down this old barroom
Everyone in here's like family
Till I get back do this for me

Please feed the jukebox while I'm gone
Take good care of these old songs
The only place I know of
That's got that music that I love
Keep the beer cooler stocked
Put the cold ones up on top
Until I get myself back home
Please feed the jukebox while I'm gone

I'm sure gonna miss the Longhorn Lounge
Five o'clock rolls around
Tip the waitress good, my friends
Give old Ernest Tubb a spin

Please feed the jukebox while I'm gone
Take good care of these old songs
It's the only place I know of
That's got that music that I love
Keep the beer cooler stocked
Put me a cold one up on top
Until I find my way back home
Please feed the jukebox while I'm gone

Until I find my way back home
Please feed the jukebox while I'm gone
