Hey, stop the world and let me off  
I'm tired of going round and round  
I played the game of love and lost  
Hey, stop the world and let me off

My heart is shattered don't you see  
'Cause you no longer care for me  
Oh, but I hope someday you'll see  
What loving you has meant to me

Hey, stop the world and let me off  
I'm tired of going round and round  
I played the game of love and lost  
Hey, stop the world and let me off

My dream world tumbled to the ground  
Yeah, the one I love has let me down  
How could she leave me here like this  
I lost the wonder of her kiss

Hey, stop the world and let me off  
I'm tired of going round and round  
I played the game of love and lost  
Hey, stop the world and let me off

I played the game of love and lost  
Hey, stop the world and let me off
