What is the purpose  
Demonoid phenomenon  
Regulate the flux and reflux  
So bring it on  
Loose upon the world  
Destruct a juggernaut  
[Incomprehensible]

Suddenly the rats are high  
Bleed the masses, watch them cry  
Slumber like Houdini's dog  
Die alone out in the fog

Iron head, iron head  
Iron head, crucify you  
Iron head, regenerate  
Iron head, exterminate  
Iron head, liberate and crucify you

What is my name  
Demonoid phenomenon  
Laugh into your face and  
Break and I move along  
Vent upon the brink  
Appear another demi-god

Suddenly forever knows  
What it takes and where it goes  
Paint it black inside your head  
I defy what you have said

Iron head, iron head  
Iron head, crucify you  
Iron head, regenerate  
Iron head, exterminate  
Iron head, liberate and crucify you

Suddenly the rats are high  
Bleed the masses, watch them cry  
Slumber like Houdini's dog  
Die alone out in the fog

Iron head, iron head  
Iron head, crucify you  
Iron head, regenerate  
Iron head, exterminate  
Iron head, liberate and crucify you
