How does it feel babe  
To taste sweet revenge  
Do you want me on my knees  
How does it feel babe  
To let me feel your strength  
Don't be cruel, can't you see

If you don't catch me now  
I can't stop falling down  
Just one more night and the devil's got my soul  
I need your love babe, don't tell me no way  
Ooh, I'll miss you so much more than words can say

How does it feel babe, to get our destiny  
I swear I'm not gonna crawl, oh no  
How does it feel babe to make a fool out of me  
How can you be so cold, be so cold

If you don't catch me now  
I can't stop falling down  
Just one more night and the devil's got my soul  
I need your love babe don't leave me this way  
Ooh I miss you, I miss you

Baby our love's got what it takes  
To give us one more chance to start once again  
Baby our love will find a way

As long as we believe in love

If you don't catch me now  
I can't stop falling down  
Just one more night and the devil's got my soul  
I need your love babe don't leave me this way  
Ooh I miss you, I miss you

Baby our love's got what it takes  
To give us one more chance to start once again  
Baby our love will find a way  
As long as we believe in love  
(As long as we believe in love)

Baby our love's got what it takes  
To give us one more chance to start once again  
Baby our love will find a way  
As long as we believe in love

Baby our love's got what it takes  
To give us one more chance to start once again  
Baby our love will find a way  
As long as we believe in love  
Baby our love's got what it takes  
To give us one more chance to start once again
