

Scorpions "Hello Josephine"

Visit "[Hello Josephine](#)" on MotoLyrics.com

Hello Josephine, how do you do?
Do you remember me baby like I remember you?
You used to laugh at me, sunshine
What a fool, fool, fool
You used to shake it over yonder, down by the railroad
track
But if you need some other, I ain't never coming back
You used to laugh at me
What a fool, fool, fool

Hello Josephine, how do you do?
Do you remember me baby like I remember you?
You used to laugh at me, baby
What a fool, fool, fool
You used to shake it over yonder, down by the railroad
track
But if you need some other, I ain't never coming back
You used to laugh at me
What a fool, fool, fool
