Ooh, girl, I'm leaving you
Yes, I'm leaving you
I've got to go tonight.
Ooh, girl, I'm leaving you
Yes, I'm leaving you, I've got to go
I can't stay
I can't stay
I can't stay
I can't stay.

You shouldn't feel so blue
Shouldn't feel so blue
When I go tonight.
Baby, you shouldn't feel so blue
Shouldn't feel so blue, when I'm gone
I can't stay
I can't stay
I can't stay
I can't stay.

Keep me in your mind till I
Come back to love ya
Keep me in your mind till I
Come back to love ya
Keep me in your mind till I

Come back to love ya
Keep me in your mind till I
Come back to take you worlds away,
to take you worlds away, baby

Ooh, girl, I'm leaving you
Yes, I'm leaving you
I've got to go tonight.
Baby, you shouldn't feel so blue
Shouldn't feel so blue, when I'm gone
I can't stay
I can't stay
I can't stay
I can't stay
I can't stay
I can't stay.

Keep me in your mind till I
Come back to love ya
Keep me in your mind till I
Come back to love ya
Keep me in your mind till I
Come back to love ya ...
