Do you say a prayer when your feeling down  
Do you believe that love can turn your faith around  
You're feeling high and low, but you don't know what to  
think

The world is full of saints who live their lives in sin  
Don't ask the mirror ball you better ask yourself  
I think you know the answers but maybe you can't tell  
You'll see it all so clear just take a look inside  
The judge you build inside your heart will always be  
your guide

Kami o shin jiru

Kami o shin jiru

Another day goes by and so does your life  
You try to make some sense before your time to die  
If you feel humility for something that is true  
You'll find the secrets of this life deep inside of you

Kami o shin jiru

Kami o shin jiru

Kami o shin jiru

The innocent won't feel the judgement day

Kami o shin jiru

Kami o shin jiru

Kami o shin jiru

The innocent won't feel the judgement day

Kami o shin jiru

Kami o shin jiru

Kami o shin jiru

The innocent won't feel the judgement day
