"Kami O Shin Juru"

Do you say a prayer
when your feeling down
Do you believe that love
can turn your faith around
You're feeling high and low,
but you don't know what to think
The world is full of saints
who live their lives in sin

Don't ask the mirror ball
you better ask yourself
I think you know the answers
but maybe you can't tell
You'll see it all so clear
just take a look inside
The judge you build inside your heart
will always be your guide

Kami o shin jiru
Kami o shin jiru

Another day goes by
and so does your life
You try to make some sense
before your time to die
If you feel humility
for something that is true
You'll find the secrets of this life
deep inside of you

Kami o shin jiru
Kami o shin jiru
Kami o shin jiru

The innocent won't feel
the judgement day

Kami o shin jiru
Kami o shin jiru
Kami o shin jiru

The innocent won't feel
the judgement day
Kami o shin jiru
Kami o shin jiru
Kami o shin jiru

The innocent won't feel
the judgement day
