I'm still living for tomorrow
I'm living for today
Let's make this world
A better place to live
Stop to take
Start to give
Love's got the power
To get it done
To stop the pain
Of a killing gun
And even if you say
We're gonna die today
I'm still living for tomorrow
I'm living for today
Cause love will find a way my friend
Whatever it will take
I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
To make this world a better place
Let's make this life
A better life to live
Stop to hate
Learn to forgive
Evil power can kill
The human race
If we give life
A human face (a human face)
And even if you say
We're gonna die today
I'm still living for tomorrow
I'm living for today
Cause love will find a way my friend
Whatever it will take
I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
To make this world a better place (a better place)
And even if you say
We're gonna die today
I'm still living for tomorrow
I'm living for today

Cause love will find a way my friend
Whatever it will take
I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
To make this world a better place
I'm still living for tomorrow
