Close my eyes
Didn't want to see
Believe the lies
You said to me
She played a game
I played along
But now I know
I was not the only one
She treated me
Just like a fool
I was in love you
Share my soul
The way you touched
I never knew before
Can't ask you out
Don't close the door
I wanna feel you
I wanna touch you
I wanna feel you
By my side
Love is
Love is blind
Don't you know
It's a state of mind
Love is
Love is blind
Love is blind, baby
Didn't know
But you never life
But something told me
I was right inside
Things you said
They felt so good
They ask your brain was
Oh was so cute
But then I got
Behind the scene
I wanna go
But I can't leave
The way you touched
I never knew before
Can't ask you out now

Don't close the door
I wanna feel you
I wanna touch you
I wanna feel you
By my side
Love is
Love is blind
Don't you know
It's a state of mind
Love is
Love is blind
Love is blind, baby
Love is
Love is blind
Love is
Love is blind
