The innocence is gone
But still I'm holding on
Searching for love that lasts forever
Looking for a place
Where love can hide away
Taking a chance it's now or never

Maybe it's time to draw the line
There's just one thing that's on my mind

Is it lust, is it love
Whatever it is I can't get enough
Is it lust, is it love
When I look around tell me who can I trust
Is it love

Lovers come and go
Sometimes it's hard to know
If this will be a night to treasure
When the damage has been done
And the hurting has begun
You'll justify a moment's pleasure

Maybe it's time to draw the line
There's just one thing that's on my mind
Is it lust, is it love
Whatever it is, I can't get enough
Is it lust, is it love
It ain't nothing that I can't rise above
Is it lust, is it love
When I look around tell me who can I trust
Is it love
Is it love
Lust or love

Maybe it's time to draw the line
There's just one thing that's on my mind

Is it lust, is it love
Whatever it is I can't get enough
Is it lust, is it love
It ain't nothing that I can't rise above

Is it lust, is it love
Still looking for more, it's never enough
Is it lust, is it love
When I look around tell me who can I trust
Is it love, is it love, is it love
Is it love, is it love
