Last night I went to kill
Some time at the famous grill
Where the tall eats the small
There were girls all over me
That's my insanity
Don't call me Ringo, call me Paul

I'm in heaven, I'm in hell
Don't wipe that smile off my face
Can't you tell
I see faces in the weirdest places
Please won't you take me down
Underneath your spell

Oh, oh I'm back at midnight (Alright)
I drop my keys, could you get them love (Sure, baby)
Oh, oh baby I might (He might)
I got the stuff to keep it going on all night

Take me down Nightmare Avenue
Going down Nightmare Avenue
I will take you too

Sharp as a sabre's tooth
Back in my favourite booth
I'm getting spanked with cold champagne
I'd walk on a razor blade

Dressed like a French maid
I get my pleasure out of pain

I'm in heaven, I'm in hell
Don't wipe that smile off my face
Can't you tell
I see faces in the weirdest places
Please won't you take me down
Underneath your spell

Oh, oh I'm back at midnight (Alright)
I drop my keys, could you get them love
Oh, oh baby I might (He might)
I got the stuff to keep it going on all night

Take me down Nightmare Avenue
Going down Nightmare Avenue
Drive me down Nightmare Avenue
Lay me down Nightmare Avenue

Take me down Nightmare Avenue
Going down Nightmare Avenue
Drive me down Nightmare Avenue
Lay me down Nightmare Avenue
I'm going to take you too
