Girl

it's been a long time that we've been apart

Much too long for a man who needs love

I miss you since I've been away.

Babe

it wasn't easy to leave you alone

It's getting harder each time that I go

If I had the choice

I would stay.

There's no one like you

I can't wait for the nights with you

I imagine the things we'll do

I just wanna be loved by you.

No one like you - I can't wait for the nights with you

Just imagine the things we'll do

I just wanna be loved by you.

Girl

there are really no words strong enough

To describe all my longing for love

I don't want my feelings restrained.

Oh

Babe

I just need you like never before

Just imagine you'd come through this door

You'd take all my sorrow away.

There's no one like you

I can't wait for the nights with you

...

No one like you - I can't wait for the nights with you

I imagine the things we'll do

I just wanna be loved by you.

No one like you - I can't wait for the nights with you

Just imagine the things we'll do

I just wanna be loved by you.

There's no one like you!
