Like it played loud
Powerhouse sounds
My body wants to rock and let it out
Really high born
Morning till dawn
I'm going all the way just on and on
It's gonna be wild, it's gonna be wild
It's gonna be wild
Now!
Teach me to fly
Wanna stay high
I have to live it up before I die
Nightlife and booze
Girls to choose
Are you ready, baby, come on let's cruise
It's gonna be wild, it's gonna be wild
It's gonna be wild
Now!
Getting out of control
There's nothing that can bring me down
Nothing I'll leave out tonight
I'm feeling good, I'm living now!
Like it real hot
Never can't stop
I'm running down the line to the top
Never stay low
I'm on the go
No one holds me back
It's gonna be wild, it's gonna be wild
It's gonna be wild
Now!
It's gonna be wild, it's gonna be wild
It's gonna be wild
Now! Now! Now! Now! Now! Now! Now!
