Blackout in London  
Just slip an' slide  
Blackout in London  
I'm just about to lose my mind

Big time in Paris  
Time's gonna fly  
Big time in Paris  
It's c'est la vie for me tonight

Here I go  
To take the one and only road I know in my life  
Here I go  
Another place to bare my heart and soul, restless  
nights

Hot shot in Dallas  
A wild horse to ride  
Hot shot in Dallas  
I don't know how, but I survived

Rock hard in Rio  
Pure sex and crime  
Rock hard in Rio  
It's just too much to take tonight

Here I go  
To take the one and only road I know in my life  
Here I go  
Another place to bare my heart and soul, restless  
nights

Restless nights

Restless nights

Red hot in Moscow  
Turn back the tide  
Red hot in Moscow  
That eagle rocks the bear tonight

Die hard in Tokyo

Lexington nights, yeah, yeah  
Die hard in Tokyo  
I barely made it out alive

Here I go  
To take the one and only road I know in my life  
Here I go  
Another place to bare my heart and soul, restless  
nights

Here I go  
To take the one and only road I know in my life  
Here I go  
Another place to bare my heart and soul, restless  
nights

Restless nights  
Restless nights  
Restless nights  
Restless nights
