I'm a little tin soldier
That wants to jump into your fire
You are a look in your eye
A dream passing by in the sky

I don't understand
All I need is
treat me like a man
'Cause I ain't no child
Take me like I am

I got to know that I belong to you
Do anything that you want to do
Sing any song that you want me to sing to you

All I need is your whispered hello
Smiles melting the snow
Nothing heard
Your eyes are deeper than time
Say a love that won't rhyme without words

So now I've lost my way
I need help to show me things to say
Give me your love before mine fades away

I got to know that I belong to you
Do anything that you want to do
Sing any song that you want me to sing to you

I don't need no aggravation
I just got to make you my occupation

I got to know that I belong to you
Do anything that you want to do
Sing any song that you want me to sing to you

I don't need no aggravation
I just got to make you my occupation

I don't need no aggravation
