Na berezhnoy Moskve  
Idu Parkom Gor'kogo  
Slushayu ya veter peremen  
Letnyaya noch' avgusta  
Mimo idut soldaty  
Slushayu ya veter peremen  
Mir smykaetsya  
Dumali li Vy  
my stanem blizkimi  
Kak brat'ya  
Vozduh napolnen buduschim  
I chuvstvuetsya vezde  
Veter, veter peremen

Verni menya,  
verni v moment toy nochi slavy  
Kogda deti gryaduschego mechtayut  
veter peremen

Idu po ulitze,  
Davne vospominaniya  
Zakovanny  
V proshlom  
Na berezhnoy Moskve  
Idu Parkom Gor'kogo  
Slushayu ya veter peremen

Verni menya,  
verni v moment  
toy nochi slavy  
Kogda deti gryaduschego mechtayut  
veter peremen

Verni menya,  
verni v moment  
toy nochi slavy  
Kogda deti gryaduschego mechtayut  
veter peremen
