A place without a name  
Under a burning sky  
There's no milk and honey here  
In the land of God  
Someone holds a sign  
It says we are human, too  
And while the sun goes down  
The world goes by  
White dove  
Fly with the wind  
Take our hope under your wings  
For the world to know  
That hope will not die  
Where the children cry  
Waves, big like a house  
They're stranded on a piece of wood  
To leave it all behind  
To start again  
But instead of a new life  
All they find is a door that's closed  
And they keep looking for  
A place called hope  
White dove  
Fly with the wind  
Take our hope under your wings  
For the world to know  
That hope will not die  
Where the children cry  
Na na  
Na na na na  
Na na na na na na na na  
Na na  
Na na na na  
Na na na na na  
Can anyone tell me why (can anyone tell me why)  
The children of the world (the children of the world)  
Have to pay the price (pay another price)  
And now your telling me  
You've seen it all before  
I know that's right but still  
It breaks my heart  
Well, the golden lamb we sent

Makes us feel better now  
But you know it's just a drop  
In a sea of tears  
White dove  
Fly with the wind  
Take our hope under your wings  
For the world to know  
That hope will not die  
Where the children cry  
White dove  
Fly with the wind  
Take our hope under your wings  
For the world to know  
That hope will not die  
Where the children cry  
Na na  
Na na na na  
Na na na na na na na na  
Na na  
Na na na na  
Na na na na na
