It's your move
I'm in pain
I'm a pawn
In your game
It's your life
I just happen to be in it for a while

Oh, you're lovin' me to death
You're killin' me with kindness
What's behind this sudden tenderness

You're lovin' me to death
And leavin' me to die
You make me wanna scream
But my tongue is tied
You played me like a toy
You made my life a mess
Everybody knows
You're lovin' me to death

When you touch
Can you feel
Is your heart
Only made of steel
When you cry
Do you ever let emotions
Break your stride

Oh, you take away my breath
Your unexpected hunger
Makes me wonder
What the hell comes next

You're lovin' me to death
And leavin' me to die
You make me wanna scream
But my tongue is tied
You played me like a toy
You made my life a mess
Everybody knows
You're lovin' me to death
