Oh, oh
Oh, oh
It's all about you
You turn me on (it's all about you)

Baby, baby, baby
Baby (it's all about you)
Can't you see
Baby, baby...
Aaah

You are the sunlight in my eyes
With you it always seem so right
You are the moon and stars
My everything I ever wanted and more
I'll never understand why
You had to push my love aside
Maybe I gave too much
Not your love

Can't you see you turn me on
I cannot hold back
Won't look back
I can't do that
For myself I will be strong
Thought you were the one
I was wrong
You are so wrong

It's all about you x8

You are the sunlight in my eyes
With you it always seem so right
You are the moon and stars
My everything I ever wanted and more
I'll never understand why
You had to push my love aside
Maybe I gave too much
Not your love

I'm gonna be strong

I'm gonna be so strong
For myself
I thought you were the one

Can't you see you turn me on
I cannot hold back
Won't look back
I can't do that
For myself I will be strong
Thought you were the one
I was wrong
You are so wrong
