Hey!

Oh yeah.... feels good

I've had it with your lies

I've always had to hear

That I'm not good enough for you to be near

I've given all my heart, you only give me tears

So I aint givin you the best of my years

Baby

You've been fired from hurtin me

It's time you go find another job (yeah)

Chorus:

I'm movin on

I'm feelin stong

I'm good as gone

Out of your heart babe

I'm movin on

Guess who got strong

Baby look at me I'm free!

Everytime I'm up, you love to bring me down

I've had enough of you just jerkin' me round

I tell it to your face before you close the door

The lights of you aint welcome round here no more

I bet you thought you'd end up leavin me

That was just a fantasy

But baby the tail has wagged the dog, yeah

Chorus

I'm movin on

I'm feelin strong

I'm good as gone

Out of your heart babe

I'm movin on

Heres my new song

Baby look at me I'm free!

Ohh I'm letting you go (Im letting you go)

No, that is the end of our show yeah

Chorus
I'm movin on
I'm feelin strong
I'm good as gone
Out of your heart babe
I'm movin on
Heres my new song
Baby look at me I'm free! (To fade)
