Welcome to life as it should be
Through the eyes of jealousy.
Love has a reason to be vile
When a lover's put on trial.

And it's me against the world,
Wings of fire unfurled.
She becomes an idol
When everyone's a rival
And it's me against the world
Fighting for my girl
She becomes an idol
When everyone's a rival.

Fighting a fight that never ends
Till my noble purpose mends
Too many blisters on my hands
For a cause that reprimands

Woah, and it's me against the world,
Wings of fire unfurled.
She becomes an idol
When everyone's a rival
And it's me against the world
Fighting for my girl.
She becomes an idol
When everyone's a rival.

Your beauty breaks my heart
Even when you don't mean it.
Your beauty breaks my heart
Even when you don't mean it.
Mmm

Me against the world
Wings of fire unfurled.
She becomes an idol
When everyone's a rival
And it's me against the world
Fighting for my girl.
She becomes an idol
When everyone's a rival.

Woah, yeah, ooo
