It's a combination of the way you love me
And the simple things you say
That always take my breath away.
Are you a girl or goddess
You might stand humble or I can set you free
If you'll come with me

Fire in my soul
Burnin my self control, now.
I can't resist it
When there's no way to fix it.
Is it time to let go?
Fighting to be a knowin
Everybody's watchin to see
What's gonna happen to me.

I'm a nervous wreck for you.
No use to hide it.
If I'm gonna make a fool of me
Oh baby come and see, yeah.
I'll be draggin you along
Like you belong here;
It may not be routine,
But I'm not listening.

When there's fire in my soul
Burnin my self control, now.
I can't resist it
When there's no way to fix it.
Is it time to let go?
Fighting to be a knowin
Everybody's watchin to see
What's gonna happen to me.

Oh, yeah.
Forgive me if I surprise you.
Forgive me if I surprise you.
Forgive me if I surprise you.
Forgive me if I surprise you.
What you gonna do?

Yeah, fire in my soul

Burnin my self control, now.
I can't resist it
When there's no way to fix it.
Is it time to let go?
Fighting to be a knowin
Everybody's watchin to see
What's gonna happen.
