I remember all my life  
Raining down as cold as ice  
Shadows of a man  
A face through a window  
Crying in the night  
And night goes into

Morning, just another day  
Happy people pass my way  
Looking in their eyes  
I see a memory  
I never realized  
You made me happy

(CHORUS)  
Oh, Brandy, well, you came  
And you gave without taking  
But I sent you away  
Oh, Brandy, well, you kissed me  
And stopped me from shaking  
And I need you today  
Oh, Brandy

I'm standing on the edge of time  
I walked away when love was mine  
Caught up in a world  
Of uphill climbing  
When tears are in my mind  
And nothing's rhyming

(CHORUS)

(Oh, Brandy)  
(Oh, Brandy)

Riding on a country bus  
No one even noticed us  
Yesterday's a dream  
A feast of mourning  
Crying on the breeze  
The pain is calling

Oh, Brandy, well, you came  
And you gave without taking  
But I sent you away  
Oh, Brandy, well, you kissed me  
And stopped me from shaking  
And I need you today

(CHORUS) to fade
