What if I stumble, what if I fall  
What if I'm the champion of the crawl  
And what if I lie just to cover the truth  
And what if I waste all the days of my youth

And what if I cast all my dreams in the sea  
What if my greatest fear is me  
Where can I run to escape from this hell  
Would you be there, would you be there?

Cardiac arrest heart pounding out of my chest  
Don't wanna become like a crash test dummy  
And if I let you down will you still want me around  
If I'm broken, would you still love me?

What if I staple, and color my skin  
And what if I enjoy all of this sin  
And what if I run just to hide from the noise  
What if I like girls? what if boys?

And what if I listen to all that they say  
I promise forever, but then walk away  
Where can I run to escape from myself  
Would you be there would you be there?

Cardiac arrest heart pounding out of my chest  
Don't wanna become like a crash test dummy  
And if I let you down will you still want me around  
If I'm broken, would you still love me?

Cardiac arrest heart pounding out of my chest  
Don't wanna become like a crash test dummy  
And if I let you down will you still want me around  
If I'm broken, would you still love me, would you still  
love me?

Your so unpredictable, this love is so unconditional  
Will I be alright? if I don't love myself

What if I stumble, what if I fall  
What if I'm the champion of the crawl  
All that I hope for, all I can be, all I offer you is, me

Cardiac arrest heart pounding out of my chest  
Don't wanna become like a crash test dummy  
And if I let you down will you still want me around  
If I'm broken, would you still love me?

Cardiac arrest heart pounding out of my chest  
Don't wanna become like some crash test dummy  
And if I let you down will you still want me around  
If I'm broken, would you still love me?

Oh would you still love me, will you still love me?  
Oh, will you still love me?

It's all I need to know, it's all I need to know  
Oh, and what if I'm broken, what if I'm broken?  
What if I'm broken? what if I'm broken, will you still love  
me then?  
Will you still love me then, will you still love me? will you  
still love me?
