Under the surface we're all the same  
Searching for purpose, running from shame

I'm sorry I'm not all the things that you want  
All the things that you thought I would be  
I guess I'm not like you  
I'm not something you're used to  
Maybe something brand new that you've never seen

I wish I could read your minds  
Be one of your kind  
I'm just too hypnotized  
Misunderstood  
I wish I could somehow be  
All that you want of me  
But I'm in good company

I got your letter  
Tell me whose to blame  
And do you feel better, causing me pain?  
Causing me so much pain.

I'm sorry I'm not all the things that you want  
All the things that you thought I would be  
But I guess I'm not like you  
I'm not something you're used to  
Maybe something brand new that you've never seen

I wish I could read your minds  
Be one of your kind  
I'm just too hypnotized  
Misunderstood  
I wish could somehow be  
All that you want of me  
But I'm in good company  
Misunderstood  
Misunderstood  
Well, I wish could be understood

(X2)

I'm sorry I'm not all the things that you want  
All the things that you thought I would be

I'm so sorry

I wish I could read your minds

Be one of your kind

I'm just too hypnotized

Misunderstood

I wish I could somehow be all that you want from me

But I'm in good company

Misunderstood

Misunderstood

Well, I wish I could be understood

Under the surface we're all the same.
