If time was a river
With nowhere to run
Where would you want to be
Finally
When the moment comes

And if forever
Is frozen in stone
But would you want to say
That couldn't wait
Would I be the last to know?

Coz all I wanna do is lose myself
In the sweet touch of your skin
I know this might sound crazy
I'd be there for you when the sky was falling in

[Chorus]

And if this was the last day of my life
I'd wanna spend it looking in your eyes
Coz all I wanna do is hold you, girl
In my arms at the end of the world

And in the shadows
You came like the sun
Made every second count
But I'd feel cheated now
If tomorrow never comes

Because when there's someone you'd die for
That's when you know you're alive
And baby that's the way that you make me feel
When I'm lying by your side

Coz all I wanna do is lose myself
In the sweet touch of your skin
I know this might sound crazy
I'd be there for you when the sky was falling in

[Chorus]

End of the world baby

I'll be there waiting when the sky comes falling in
When it all comes crashign down
I'll be holding your hand baby

[Chorus]
