Sometimes I feel I've got to
Run away I've got to
Get away
From the pain you drive into the heart of me
The love we share
Seems to go nowhere
And I've lost my lights
And I toss and turn, I can't sleep at night

Once I ran to you (I ran)
Now I'll run from you
This tainted love you've given
I give you all a boy should give you
Take my tears and that's not nearly all
Tainted love
Tainted love

Now I know I've got to
Run away I've got to
Get away
You really don't want any more from me
To make things right
You need someone to hold you tight
And you think love is pray
But I'm sorry babe I don't pray that way

Once I ran to you (I ran)
Now I'll run from you
This tainted love you've given
I give you all a boy should give you
Take my tears and that's not nearly all
Tainted love
Tainted love

Don't touch me please
I cannot stand the way you tease
I love you though you hurt me so
Now I'm gonna pack my things and go
Tainted love
Tainted love
Tainted love

Tainted love

Touch me baby; tainted love.

Touch me baby; tainted love.

Tainted love

Tainted love

Tainted love...
