You have my heart
We'll never be worlds apart
Maybe in magazines
But you'll still be my star
'Cause in the dark
Can't see shiny cars
That's when you need me there
With you I'll always share

When the sun shines, we'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath that I'll stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my umbrella
You can stand under my umbrella

Under my umbrella

These fancy things
Will never come in between
You're part of my entity
Here for infinity
When the war has took it's part
When the world has dealt it's cards
If the hand is hard
Together we'll mend your heart

When the sun shines, we'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath that I'll stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh
Under my umbrella

Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh, eh

You can run into my arms
It's okay, don't be alarmed
Come into me
There's no distance in between our love
So go on and let the rain pour
All because...

When the sun shines, we'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath that I'll stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh
Under my umbrella
Ella, ella, eh, eh, eh, eh
